It was beyond what I imagined [Helen Cole](#). An amazing morning hearing from such established and inspiring women such as [Joanne Vanderheyden](#), [Karen Vecchio](#), Anne Marie Gillis, [Cathy Abraham](#) and [Christine Elliott](#).

Such insightful messages, stories, shared in a vulnerable - and hilarious way. I can't wait for the next one.

### Jean Coles

Wonderful day! Thank you for connecting us altogether!

### Kathryn Desrosiers

Great event connecting and learning from leading women. Thank you for having me [Helen Cole](#) and The Jean Collective!

Feeling inspired and refreshed from attending the Women Leadership Conference organized by [The Jean Collective](#) today!

From the keynote by Former Deputy Premier and Minister of Health in Ontario, [Christine Elliott](#), to the panel discussions with my MP [Karen Vecchio](#) and other phenomenal changemakers, the event was nothing short of amazing!

Grateful to [Helen Cole](#) and her team for organizing this conference and providing the opportunity to be inspired, empowered, and connected with fellow women leaders.

If you are woman in SW Ontario interested in politics and community leadership, check out The Jean Collective's upcoming programs.
